in search of... **MILFS**

WHAT IS THIS MYSTERIOUS CREATURE CALLED THE MILF?

The adult business goes mainstream with the MILF. But who is she, really? Yes, we all know what the acronym means – “Mom I’d Like to Fuck” – but how do you spot one? Does she have to be an actual ‘mother’ who’s had or has kids? Is there an ideal age for the MILF hunter to seek? All are good questions and there are several different descriptions, so let’s break it down a bit and see if we can learn something more about them: from the hunter and the hunted.

MILF hunter... Philip from Detroit:

“I have no problem spotting a MILF. It’s not that difficult. They are all around, supermarkets, shopping malls, the airport, or even in the right in the car next to you. What I do is look at every woman I am attracted to and then begin to eliminate them one by one until I get down to the final two or three. I’m usually in a mall when I do this so I can follow them around and see if there are any other signals.”

What kind of signals do you look for Philip?

“I like to sit at a well located bench at the mall with

my iPad and just watch. It’s kind of an intuitive thing. I like them in their mid-thirties. Nicely dressed and looking frazzled by shopping. She may be carrying too many shopping bags or with a girlfriend. I stay away from a mom with kids. Her focus is elsewhere and it needs to be on me when I approach.”

How do you get their attention? What do you say?

“First of all, I dress nice and am sure to smell good. I have to get close enough for them to smell me. They need to remember me by smell, too. Really important. If I see one window shopping, I will come up next to her and point something out and ask her a question. Women like to be helpful. Sometimes I’ll intentionally bump into her as I’m looking at my cell phone. But you have to apologize quickly. They do not like it when you bump into them looking at a phone. It’s a fine line but practice makes you better at it. Then there was the time that I picked up a fine MILF at the hot dog stand in the food court.”

How do you ‘close the deal’?

“Ah, that’s the big question. I’m cool and I’m smooth. Believe it or not, I practice in the mirror or with a friend willing to help me. It helps if that friend is female!. Facial expressions are important. The look, the smile, the nod of the head. I dress nice. Not ostentatiously, but simple and clean. My shoes are polished, my fingernails are trimmed and polished. Every button is buttoned. Only my hair is just slightly disheveled. It’s important to know women. If you get their attention, you know they’re going to check you out. They don’t want to think that if they’re going to talk to you or spend some time with you that they’re getting a ‘loser.’ They want something better than what they’ll be leaving. Personally, I think they want a man that they can take care of, and can take care of them, too.”

And when you get them alone?

“Well, I do what every hot-blooded man would do. I try to seduce them. It’s going to be a lot of work. All their guards will be up. No trying to bed them on the first date. If you want that, go to a bar. The chick will be drunk, and if you get her home, she’ll probably pass out after a few minutes. That scene is not for me. With MILFs, I may strike out 90% of the time, and that’s okay, but man those 10% I do score are the wildest, sexiest, most passionate women I have ever fucked. If they’re willing to give it up, they’ll fuck your brains out!”

Well that’s a guy’s story, but we needed to hear from the other side.

The hunted... Lorraine in Chicago:

“I have to admit that I’ve been called a MILF, either to my face or overhearing a nearby conversation. And more often than I imagined. Ever since this MILF thing flourished, I get hit on at least once a week. Sometimes it’s just something I overhear, intentionally or not. Sometimes it’s more direct from guys who think they can get with me. I’m a floor nurse at a major hospital in Chicago and I see all types. Even the patients will hit on me. But visitors and medical product reps are the worst. For visitors, they have hours to spend with their friends or family in the hospital room so they’re looking for something to break up their visit, and that’s usually hitting on me. But the med reps are the worst. The men will lean over my desk and get in my face about going out. Their cologne is usually too strong, as is their come-on.”

Have you ever done anything about it?

“Hell no. Most of what I just said, is a turn off, not a turn on. Just because I’m in a closed space, they think it’s like shooting ducks in a pond. Throw enough bullshit at me and I’ll swoon in your arms. I think not! But even when I’m not working at the hospital, I get hit on. I’m attractive and I dress nice, but I don’t wear my wedding ring (long story). I think

that's more of a magnet for men than wearing one. But okay, I do admit that I did hook up one or twice with guys that hustled me, but not at the hospital. One was on an airline flight where I was sitting next to this handsome 50-something, and we hit it off during the flight. We were headed to Vegas to different conventions and spent just one night together. You may think that was just a pick-up, but during some of our conversation we talked about MILFs, so I count that."

"The second time was with a man who I met at intermission at a play. I went with my GF and this guy came over and just started talking to us. Turns out his seat was a little behind and to the right of us and he said he missed most of the play because he was looking at me. Would I have a drink with him and tell him what happened. Good line I thought and we went out."

We've heard that MILFs are the most passionate lovers. So... how was the sex?

"Do I really have to tell you? Okay, but you won't use my real name. Promise? Okay then, The sex in Vegas was fantastic. I'm 32 and have never been with a man 20 years older, but he was a great lover. Married unfortunately, but at the time it didn't matter. We went to his room and there was a bottle of nice champagne waiting for us. We started with some small talk but it didn't take long before things got hot. He undressed me slowly, kissing my neck, shoulders, and then my breasts. He gently laid me back on the bed and parted my legs. I remember his tongue on my clit vividly. Mmmmm. I came within a few min-

utes, but it got better later. He had a pretty big cock and it was rock hard all night. He admitted to taking a boner pill, but it didn't matter. It was like sucking a steel rod. At first I was hesitant to go much past oral, but I succumbed and we fucked for three hours straight. I did manage to get some sleep and make it to my convention the next day. Being in Vegas really helped because we both know it would be one time and no one would know about it. I let loose with all abandon, except when he wanted to put it in my butt. I wasn't ready for that."

"The other guy from the play was okay, but nothing to write home about. I dropped my GF, then he and I went to this hotel bar, and then a room upstairs. He was drunker than me and while he was handsome, he was a stupid drunk with a limp dick. I don't remember how his dick came out his pants that night, but he never got it past half staff. I left after about twenty minutes of trying to give him a hand job and a blowjob that I never finished. Yuck!"

Do you think you'll hook up with either one again?

"Well, I did get a call from the gentleman in Las Vegas and he suggested we hook up again, but I politely refused. I want to keep that memory as it is. But I'll admit, I'm eyeing our new neighbor. He's a young professional that's just moved in. I'll give him a chance to settle in before I prance around the backyard, or fake a flat tire and ask for his help."

We'd like to thank both Philip and Lorraine for their insight into the mystery that is... the MILF!

four on the floor

A party game turned into the hottest experience of our lives

my wife and I have a dynamite sex life. She is willing to try anything. I guess that's why I've been married to her for over 10 years. One of my favorite hobbies is taking pictures of my hot little wife. I have a dozen albums filled with her pictures. The camera seems to turn her into a wild little minx.

The prize image in my collection is one of her sitting in front of the fireplace. There is a blazing fire behind her. The flames paint her perfect body with a warm, red glow. She is flat on her back, legs spread, with her finger in her perfect pussy. Every time I watch my wife play with her sweet little pussy, I get an instant hard-on. And thanks to my self-timer and tripod, I even have a few shots of Ellen sucking on my cock.

Anyway, it was the photo of my wife masturbating in front of the fireplace that led to our first group sex encounter. It happened with Julie and Jack, a couple we've known for years.

The four of us have grown to be almost like family over the years. Julie always kisses me when we meet, and my wife Ellen kisses Jack. (I've even patted Julie's soft, round ass a few times—playfully.) About twice a month, we get together for some cards and a few drinks.

The night it happened, the bathroom in the guest bathroom was stopped up, so we had to let Jack and Julie use the one in our bedroom. I guess I should

mention that I have a photo of my wife masturbating, hanging on the inside of my closet door. I figured no one would ever see it there, but I was wrong.

About the third trip that Jack took to the can, he returned with a grin on his face a mile wide. "You dirty old bastard," he chuckled, slapping me on the back. "I didn't know you and Ellen were into sexy pictures too."

I was embarrassed. And I was also a little pissed. He had to go out of his way to find that picture in my closet. I didn't like the idea of him snooping around in our bedroom. Before I could jump his case, Ellen said something that almost knocked me out of my chair. "You guys want to swap some pictures?" she asked. Her face was dead serious.

"Let's shoot some now," Jack suggested. "Where's your camera, buddy?" he asked. I was about to object when Ellen stood up and headed for the cabinet I used to store my camera gear. I didn't want to be a party pooper, so I decided to go along with everyone. I figured I could shut it down if things began to get out of hand.

I thought that, worst-case scenario, we'd take a few photos that weren't too crazy. That may be the way it started, but pretty soon Julie and Ellen really surprised me. I took a few shots of Julie in her flimsy panties and bra. I soon had a hard-on like you wouldn't believe, but

somehow I managed to keep it hidden as I worked the camera.

Jack stood behind me with a beer in his hand, egging on his beautiful wife. Ellen stood and stared as her friend revealed more and more of her tempting body.

"I want a picture like Lamar has on his wall," Jack blurted out. My heart stopped.

Ellen raced from the room. Before I could even get my thoughts together she returned with the fireplace picture in her hands. She seemed proud to have our friends see her sitting there, playing

with her pussy. I was embarrassed and aroused at the same time. Julie blushed, but she couldn't take her eyes off the photo. Before anyone knew it, she was touching herself between her legs. My dick jumped to attention as she did.

The three of them then skipped like a bunch of kids, giggling all the way into the living room. I quickly followed with the camera gear. By the time I had everything set up, Julie was naked and sitting in the exact same place my wife had been when I took that photo of her playing with her pussy. When she opened her legs and showed me her pink, wet cunt, I lost all interest in stopping the proceedings. I was hooked. I wanted to watch my friend's wife masturbate. I wanted to see her come.

A sudden thought came to my mind: I really wanted to lick my friend's wife's pussy and make her come in my mouth, but still didn't consider that a possibility. She seemed self-conscious sitting there with her hands between her parted legs, holding the lips of her slippery cunt open.

My wife knelt down to help her. "Hey!" Jack shouted, "No clothes allowed. You'll ruin the shot!"

Ellen stood and stripped. Her nipples were already hard. She was breathing in short gasps. As soon as she was naked, my wife knelt and slid her finger up and down the exposed groove of Julie's pussy. Once her finger was wet she put the slippery digit to her lips and licked it dean. I was snapping photos a mile a minute. I glanced over at Jack, standing beside me. He was rubbing his bulging hard cock through his jeans. I was afraid that if I touched mine, I would cream in my pants.

"Eat her pussy, Julie," he grunted. I couldn't believe he said it. But, my wife was perfectly willing. She spread her legs and held the lips of her swollen pussy wide open. Julie took one long lick

of my wife's pussy from asshole to navel. Ellen's entire body shivered.

Still, I continued to shoot pictures. I stopped for a second; my back was turned. By the time I turned around, Jack was naked and his cock was sliding into his wife's sucking mouth.

That didn't surprise me, but seeing my wife with one of his balls in her mouth really shook me. It made me jealous—and horny at the same time. Part of me wanted to punch Jack in the face. Another part of me wanted to plunge my stiff dick into his wife's ass as it wiggled so enticingly at me. I guess my dick won. The camera was soon forgotten as I stripped down and approached the three writhing, sweaty bodies.

I grabbed Julie's sweet ass and pulled the cheeks apart. Her pussy lay there all open, wet, and ready. I very gently slipped the head of my excited cock into the opening, and waited for her reaction. "More!" she gasped, between mouthfuls of her husband's big dick. "Give it to me more!"

Even though my wife was sucking on Jack's balls and fingering his asshole, I wondered about her reaction to seeing me fucking Julie. She removed all hesitation when she reached up and squeezed my shaft, pushing it deeper into her

friend's welcoming snatch. Julie really squirmed as I began slowly pumping my cock in and out of her slippery tunnel. I noticed that Jack had two fingers deep in my wife's pussy. She was squirming like crazy as he pumped them in and out like a cock, and rolled her swollen clit with his thumb.

As Jack pulled his cock from his wife's sucking mouth and maneuvered around so that he could lick my wife's steaming cunt, he did a double take. His eyes were riveted on my dick as it slipped in and out of his wife's pulsating pussy. He gave her a quick kiss, and then smiled and dove face-first into Ellen's wet, open gash. She grabbed the side of his face and began fucking her horny cunt all over his nose, chin, and flicking tongue.

The sight of our mates coupled, face to cunt, did nothing to cool mine and Julie's passionate humping. "Fuck her, Jack," she moaned. "Fill her cunt with this," she mumbled as she stretched her neck and gave the tip of his twitching cock a quick kiss. Jack lifted his face from Ellen's delectable pussy and pushed her gently to the floor. Her legs fell open automatically. Her pussy was hot, ready, and wide open. He shoved his cock into her beckoning cunt in one thrust.

My wife squealed and locked her legs around his waist. She held on des-

perately while my buddy pumped in and out of her hungry cunt unmercifully. Julie's cunt muscles milked my throbbing cock in perfect time with her husband's deep thrusts into my wife's willing pussy. The room was filled with moans, groans, and the squishing sound of cocks slapping into juicy pussies.

Julie came first. The muscles of her quivering cunt rippled against my throbbing prick and sucked my cum. She squirmed harder as each spurt of hot cum splashed against her hot channel. Her excitement made her husband work even harder on Ellen's quivering pussy. Suddenly he let out a yell, stiffened, and then shot his hot load into my wife's velvet tunnel.

Not to be left out, Ellen locked her legs even tighter around Jack's back and humped her hips against his spurt-ing cock as she shook and shivered all over. She screamed as she reached a mind-blowing orgasm. Jack and I laid there in the middle of the rug, totally exhausted, while the girls went to fix us some drinks. They returned from the kitchen, still nude, with a tray of snacks and beer.

We then discussed what had happened. And found that no one felt any guilt. Ellen couldn't keep her hands off of my friend's cock. Right in the middle of the snacks, she knelt across Jack's lap and slid her pussy over his dick. It was crazy. Kind of like a dream. The four of us in the middle of the living room, eating potato chips, drinking beer, telling jokes, and my wife bouncing up and down on Jack's lap.

Any thoughts of objecting quickly disappeared when Julie leaned over and put her head in my lap. My dick was soft when she put in in her hot, wet mouth. But, it didn't stay that way for very long. Her tongue teased the sensitive head and soon had it at full attention. She took her time, rolling my cock around in

her mouth like a piece of candy. I was excited, but felt like I could go on for hours. Which was more than Jack could say.

Ellen was giving his cock the ride of her life. My wife has educated cunt muscles. She can sit still on a cock and drive me wild. But when she bounces up and down and applies the muscles at the same time, it is absolutely mind blowing. My friend was going to know that he'd been fucked. That was for sure. I began pumping my prick in and out of Julie's mouth in time with my wife's bouncing ass. She soon had me ready to shoot my load.

It became a challenge to see how long I could hold off. Julie used every trick in the book to make me shoot my heavy load of cream into her mouth. She took my cock in her hands like it was an ice-cream cone, licking very slowly up the shaft. When she got to the tip, she licked all around the sensitive edge of the tip. It felt so good that my eyes crossed.

Watching my wife still bouncing up and down on Jack's lap, while she stuffed her ample tits one at a time into his grasping mouth, only added to the excitement. It was easy to see that Jack was trying to outlast me. It became a game—and the most exciting game of my life. The two women must have sensed our competition. Each suddenly seemed more determined to make her partner come first.

Julie reached under my ass and slid a finger into the crack. Before I realized what was happening, she had a tiny finger in my asshole. The feeling was unbelievable. My cock jumped in her hot, eager mouth each time she pressed her finger against the never-before-pierced opening. I figured the game was over; I was going to lose, but what a way to go.

The cum was already racing up my shaft when I saw Ellen redouble her ef-

forts, like a racehorse in the final stretch. Her ass moved at blinding speed up and down my friend's rock-hard pole. When she stiffened and screamed, Jack pushed his hips up at her so hard that he lifted her body off the floor. They humped like crazy as they came together. The victory was sweet, but the shivers that ran up and down my spine as the hot cum gushed from my twitching pole into Ju-

lie's willing mouth, felt better than winning any game could ever feel.

Since that night, our get-togethers have become more frequent. We can't get enough of each other. Usually we are naked before we've been together for ten minutes. But every evening is different; each one ends with both wives getting fucked by the other guys.

The camera is always present. I'm building a collection of images like I'd never imagined. Jack showed one of the pictures to his buddy, and now he and his wife want to join us. We're seriously considering it.
